

Unglued™

Non-flammable water based glue and mastic remover

PRODUCT / APPLICATION GUIDE

PACKAGING

Unglued™...1 gal. and 5 gal. pails

DESCRIPTION

Unglued™ is a safe, nonflammable water based glue and mastic remover that effectively softens and removes most types of carpet adhesives and similar glue deposits. Unglued™ contains no chlorinated solvents, butyl solvents or phosphates and contains only biodegradable surfactants. Low VOC's. Unglued™ can be used on all types of floor substrates that have glue deposits, and where water can be used as a final rinse. It will not interfere with the adhesion of new glue or mastics, or the use of coatings or stains.

ADVANTAGES

- Nonflammable and Noncombustible. Unglued™ will not support combustion even when soaked into rags or mops.
- No hard or unpleasant odors. Unglued™ has a pleasant citrus like odor.
- Emulsifiable - The Unglued™ formula penetrates the mastic and softens it with emulsifying action so that after scraping off the bulk of the glue, the remainder can be easily washed off with water. A water wash will then leave the floor clean and ready to be re-coated with glue or any other treatment.
- Fast and Easy

APPLICATION

Apply Unglued™ full strength by spray, mop or brush or pour on and spread with a broom to thoroughly cover and penetrate the mastic layer. For interior areas, use good ventilation. Let Unglued™ penetrate for 20 to 45 minutes depending on the thickness and type of mastic. When the layer is softened, just scrape it off, and flush off any remaining residue with water. If No further treatment is necessary. Where the floor is to be stained, it is recommended that it be treated with Concrete Deck Profiler™ to remove any imbedded material in the pours of the concrete.

PROPERTIES

Type: Nonflammable, emulsifiable glue and mastic remover.

Color: Green / **Odor:** Pleasant

Toxicity: Harmful if swallowed / **VOC's:** ~160 mg/L

Flammability: Nonflammable, non-combustible.

Composition: Water soluble citrus solvents and non-chlorinated solvents in a biodegradable surfactant solution.

LIMITED WARRANTY NOTICE

Contract Packaging Inc. products are designed to be used in the construction industry and should be applied by competent persons in accordance with current published instructions. We cannot be held responsible for difficulty caused by other materials and conditions, or by inferior workmanship. Seller reserves the right to have the true cause of any difficulty determined by accepted test methods by an independent party. Any claim regarding product defect must be received in writing (1) year from day of shipment. No claim will be considered without such written notice or after the specified time interval.

DISCLAIMER OF WARRANTIES AND LIMITATIONS OF LIABILITY

Contract Packaging Inc. (Seller) warrants that if any goods supplied prove defective in workmanship or material that Seller shall replace them or refund their purchase price. This warranty is made in lieu of any and all other warranties, expressed or implied. Including the warranties of merchantability and/or fitness, which are hereby disclaimed. It is understood and agreed that buyer's sole remedy, and therefore Seller's liability, whether in contract, tort, under any warranty, in negligence, or otherwise shall be limited to the return of the purchase price paid by purchaser or replacement of any defective goods sold by Seller and under no circumstances shall Seller be liable for special, indirect or consequential damages. The price stated for the goods is a consideration in limiting Seller's liability. Any liability or risk resulting from the use of this product is assumed by the purchaser/user except where a specific warranty is provided by the manufacturer in writing. Before application, the purchaser/user shall determine the suitability of the product for his intended use and purchaser/user assumes all liabilities and risk, whatsoever in connection therewith. The terms of this warranty notice may not be orally modified.
